

In this issue: the farmer partners of our project. What do they have in common? They all adopt PA technologies, though in different ways. Let's see how!

**Quinta da Cholda
- Portugal**

Quinta da Cholda began the implementation of precision agriculture (AP) with the aim of increasing production and to reducing time of operations, costs and CO2 emissions and Nitrous Oxide.

Mazzei - Italy

The Castello di Fonterutoli company, owned by Marchesi Mazzei S.p.a., is situated in the province of Siena, a territory historically associated with the production of DOCG (Controlled and warranted designations of origin) Chianti

**Rezos Brands
- Greece**

Inspired by Hippocrates "Let food be thy medicine and medicine be thy food" REZOS BRANDS is not a typical agribusiness company. It is a food-focused SME, with expertise in superfoods, but it

Classico wine.
